

# MG UNIVERSAL TRACTOR OIL

ALL ROUND PERFORMANCE OIL  
SAE 10W/30

## Performance Profile

MG UNIVERSAL TRACTOR OIL is a top quality multipurpose oil with innovative conception, designed with highly refined base stocks and specially selected complete additive package. Surpassing the requirements of :

API CD/SE  
CCMC D2/G1  
Mil-L-2105C

Ford M2C-159B  
Massey Ferguson M-1139  
Denison HF-2

## Application

Satisfies the lubrication requirements of all types of engines, as well as wet brakes, hydraulic systems, automatic and manual transmissions used in farm and industrial tractors and self-propelled farm equipments. Not recommended when manufacturers specify an EP oil of API GL-5 level.

## Summary of Benefits

- Very high viscosity index.
- Outstanding lubrication power in all working conditions.
- Excellent fluidity at low temperature.
- Exceptional thermal and oxidation stability at high temperature.
- Improved retention of frictional properties to resist chatter and squawk in clutch and brake systems.
- Outstanding protection against rust, corrosion and foaming.
- Effective antiwear and extreme-pressure properties to protect the gear teeth and bearings.
- Improved seals compatibility.
- Superior filterability and stability in the presence of water.
- Right level of detergency to ensure a clean system.
- Excellent choice to reduce the possibility of wrong applications.

## Technical Data

Characteristics	Typical Value
	10W/30
Sp. Gravity @ 15°C	0.881
Viscosity @ 40 °C, cSt	51
Viscosity @ 100°C, cSt	9.4
Viscosity Index	150
Flash Point, COC, °C	220
Pour Point, °C	-33
TBN, mgm KOH / gm	9.8
